●●● Matting

Proper matting is recommended to ensure the lasting integrity of your photographs. Prints are hinge-mounted on archival foam core and matted to the next standard frame size using cotton rag or virgin alpha cellulose matboard. If you like, a title and photographer's signature can be written on the mat.

●●● Basic Mats

Mats are available in cool white, warm white, and black core in white. Price is based on print size.

4x6 & 5x7 \$35
8x10 & 11x14 \$40
16x20 \$65

●●● Premium Mats

Colors beyond basic, double matting, and multiple openings are also available for an additional cost.

●●● Frames

Matted prints are framed to museum standards using ¾-inch wide, hardwood moulding and UV-filtering acrylic. Frames are available in black, white, walnut, cherry, pecan, or natural wood.

5x7 \$60
8x10 \$70
11x14 \$90
16x20 \$120

●●● Combinations

To help with selecting your photographs, I've designed these combinations as suggestions either for gift giving to friends and relatives or for displaying in your home.

For some purposes, a print itself will do, but for display, a set of your photographs arranged in simple, contemporary frames can coordinate beautifully with your decor. And since different people have different tastes, some combinations include matted prints to frame however you please.
